THE WORDMARK

TRIKONAM

Marcellus, refined. Supplied as outlines and as Trikonam-Wordmark.ttf. Base tracking 0.155 em, then optical corrections per pair: TR -0.034, RI +0.001, IK +0.045, KO -0.035, ON +0.045, NA -0.007, AM -0.030, in cap heights. The apexes of the A and M are drawn to a point. Never re-set the wordmark from the font without applying these values; use the supplied artwork.
